

## Specialty Products **FAQ**

Part number 85790

### Ford 3/8" Rotor-Bor Cutter

---

**Q1:** I used to use 85790 to drill out the spot welds and make camber changes on Taurus, Sable and Windstar vehicles. You don't carry it anymore, what should I do?

**A1:** Use 68670.

**Q2:** Can I use the replacement cutter 68750 on the old 85790 Roto-Bor?

**A2:** No, the 68750 can only be used on the 68670 Roto-Bor.
